The family rate applies to families who do not receive any financial aid from their employers for school fees.

If the school fees are fully or even partially refunded by the employer, the School has to be informed of the amount refunded.

Each parent has to provide the school with the contact details (name, phone number, email) of a HR representative from his or her employer.

Failure to do so will result in the school applying the "Business rate".

In case of partial refund by the company, the family rate will apply only to the amount paid by the family.

Regarding the Early Bird rate: in case the child leaves the school during the year, the partial refund shall be done based on the normal rate.

All amounts are in Singapore Dollars and include GST (7%)
